FUNDRAISING OPPORTUNITY

We recognize that our community needs support from time to time. In response, we offer the ability for organizations to fundraise for their cause.

COUPON SHEETS

Coupon Sheets are a great deal, both for your fundraising organization and the public. Coupon Sheets are sold for \$20 and contain 9 coupons per sheet. With each sale, your non-profit organization gets to keep 50% of the proceeds.

We give you a two week period to sell as many Coupon Sheets as you can, there is no limit on how many you are allowed to sell. This fundraising opportunity is only available to local non-profit organizations. With your fundraising cause, over \$300 in combined coupon value per sheet and 4 different International Fitness locations in Eugene/Springfield to choose from, Coupon Sheets sell themselves.

To keep you organized, we will provide packets for each of your fundraisers. Each packet will include twenty-five Coupon Sheets branded with your unique fundraiser and a receipt book (25 receipts per book). The packet can also conveniently be used to carry money collected.

Each Coupon Sheet will be reconciled with your receipt book and money collected. The fundraising organization is responsible for any shortage and obligated to make up the difference.

Your organization will be responsible advertising your fundraiser through school newsletters, emails, social media (Facebook, Instagram, Snapchat, etc), radio or whatever network your group has. We will be happy to give you any help we can to make this a successful event for your organization. However, you will be responsible for promoting it.

Here's an example of how fast you can hit your goal. If there are just twenty members in your group and each one of them sells (5) coupon sheets, you will have earned \$2,000 and raised \$1,000 for your organization. It's that easy!
